Tell Me Who You Are

Jandek

All right all right all right all right
It's all right
I had a dream
Came to me twice
I had a dream
I had a dream
Came to me twice
I had a nightmare
Oh, your voice came in the night
Show me what is there
It was oh so nice
In the night
Was it a plastic dream?
Tickle myself in your arms
Just once, just once, one night
Fallin' into corners
I'm Fallin' in the street
Just come and tell me
Who you, who you are
Just tell me tonight
Tell me about your fantasy
Give me your doorway
I had a dream
Came to me twice
I grasp it lightly
Then I grasp it hard
When you first came to me
I lost it, in the night
Won't you return?
Tell me that it's orange, tell
