Since February thirty-second

Now the thirty-second  
If your next last day of your life  
Everybody dies  
Get your knife, no leave it on  
Get your knife, get your knife and leave it on  
Get your knife and leave it on  
It's February thirty-second and we're gonna get it now  
Because the last day is February thirty-second  
C'mon now, we're gonna get 'em all  
This time its over, we're gonna get 'em  
Aw c'mon, we have been  
We're gonna kill 'em all  
We're gonna kill 'em  
Cause it's the thirty-second day of February  
Oh it's raining on a dying man  
C'mon now, there's a couple over there, let's get 'em  
Eeeow okay, they're all dead now
