

## Way That You Act

Jandek

As a matter of fact  
It's the way that you act  
As a matter of well (where?)  
It's customary  
It was a real pie  
I got it all in the eye  
My friend Dusty she told me  
She wanted to hold me  
I laughed to myself  
It's all on a shelf  
It burns and I smoke it  
These words that I choke it  
Finally he cried louder  
I wanna be out-ah
