

## Wrong Time

Jandek

It's not the right time  
Something's wrong, but I'm gonna do it anyway  
You can put your bloody mind in a paper bag and eat it for lunch  
h  
What is God?  
What are you doing here? Or there?  
I am a fool  
Forgive me  
If a door is open  
I should be back soon
