

# Hit The Road To Dreamland

Jane Monheit

Bye bye baby  
time to hit the road to dreamland  
You're my baby  
dig you in the land of nod

Hold tight baby  
we'll be swinging up in dreamland  
All night baby  
where the little cherubs trot

Look at that knocked out moon  
You been a-blowing his top in the blue  
Never saw the likes of you  
What an angel

Bye bye baby  
time to hit the road to dreamland  
Don't cry baby  
it was divine but the rooster has finally crowed  
Time to hit the road
