

Just Squeeze Me

Jane Monheit

Treat me sweet and gentle
When we say goodnight
Just squeeze me
But please don't tease me

I get sentimental
When you hold me tight
Just squeeze me
But please don't tease me

Missing you since you went away
Singing the blues away each day
Counting the nights and waiting for you

I'm in the mood to let you know
I never knew I loved you so
Please say you love me too

When I get this feeling
I'm in ecstasy
So squeeze me
But please don't tease me

Treat me sweet and gentle
When we say goodnight
Just squeeze me
But please don't tease me

I get sentimental
When you hold me tight
Just squeeze me
But please don't tease me

Missing you since you went away
Singing the blues away each day
Counting the nights and waiting for you

I'm in the mood to let you know
I never knew I loved you so
Please say you love me too

When I get this feeling
I'm in ecstasy
So squeeze me
But please don't, don't tease me

Don't tease me
Don't tease me
Don't tease me
Tease me

Just squeeze me
Just squeeze me
Just squeeze me
Just squeeze me
Just squeeze me
