

# Just Squeeze Me

Jane Monheit

Treat me sweet and gentle  
When we say goodnight  
Just squeeze me  
But please don't tease me

I get sentimental  
When you hold me tight  
Just squeeze me  
But please don't tease me

Missing you since you went away  
Singing the blues away each day  
Counting the nights and waiting for you

I'm in the mood to let you know  
I never knew I loved you so  
Please say you love me too

When I get this feeling  
I'm in ecstasy  
So squeeze me  
But please don't tease me

Treat me sweet and gentle  
When we say goodnight  
Just squeeze me  
But please don't tease me

I get sentimental  
When you hold me tight  
Just squeeze me  
But please don't tease me

Missing you since you went away  
Singing the blues away each day  
Counting the nights and waiting for you

I'm in the mood to let you know  
I never knew I loved you so  
Please say you love me too

When I get this feeling  
I'm in ecstasy  
So squeeze me  
But please don't, don't tease me

Don't tease me  
Don't tease me  
Don't tease me  
Tease me

Just squeeze me  
Just squeeze me  
Just squeeze me  
Just squeeze me  
Just squeeze me
