Just Squeeze Me

Jane Monheit

Treat me sweet and gentle When we say goodnight Just squeeze me But please don't tease me

I get sentimental When you hold me tight Just squeeze me But please don't tease me

Missing you since you went away Singing the blues away each day Counting the nights and waiting for you

I'm in the mood to let you know I never knew I loved you so Please say you love me too

When I get this feeling I'm in ecstasy So squeeze me But please don't tease me

Treat me sweet and gentle When we say goodnight Just squeeze me But please don't tease me

I get sentimental When you hold me tight Just squeeze me But please don't tease me

Missing you since you went away Singing the blues away each day Counting the nights and waiting for you

I'm in the mood to let you know I never knew I loved you so Please say you love me too

When I get this feeling I'm in ecstasy So squeeze me But please don't, don't tease me

Don't tease me Don't tease me Don't tease me Tease me
