

Over The Rainbow

Jane Monheit

Someday I'll wish upon an star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me

When all the clouds are a hopeless jumble
And the raindrops tumble to the ground
Heaven opens a magic lane
When all the clouds darken up the skyway
There's a rainbow highway to be found

Leading from your window pane
To a place behind the sun
Just a step beyond the rain

Somewhere over the rainbow way up high
There's a land that I heard of once in a lullaby
Somewhere over the rainbow skies are blue
And the dreams that you dare to dream
Really do come true

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Behind me where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me

Somewhere over the rainbow bluebirds fly
Birds fly over the rainbow
Why then, oh why can't I?

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me

Somewhere over the rainbow bluebirds fly
Birds fly over the rainbow
Why then, oh why can't I?

If happy little bluebirds fly
Beyond the rainbow
Why, oh why can't I?
