## **Over The Rainbow**

## Jane Monheit

Someday I'll wish upon an star

And wake up where the clouds are far behind me

Where troubles melt like lemon drops

Away above the chimney tops

That's where you'll find me

When all the clouds are a hopeless jumble And the raindrops tumble to the ground Heaven opens a magic lane When all the clouds darken up the skyway There's a rainbow highway to be found

Leading from your window pane To a place behind the sun Just a step beyond the rain

Somewhere over the rainbow way up high There's a land that I heard of once in a lullaby Somewhere over the rainbow skies are blue And the dreams that you dare to dream Really do come true

Someday I'll wish upon a star

And wake up where the clouds are far behind me

Behind me where troubles melt like lemon drops

Away above the chimney tops

That's where you'll find me

Somewhere over the rainbow bluebirds fly Birds fly over the rainbow Why then, oh why can't I?

Someday I'll wish upon a star

And wake up where the clouds are far behind me

Where troubles melt like lemon drops

Away above the chimney tops

That's where you'll find me

Somewhere over the rainbow bluebirds fly Birds fly over the rainbow Why then, oh why can't I?

If happy little bluebirds fly Beyond the rainbow Why, oh why can't I?
