Taking A Chance On Love

Jane Monheit

Here I go again I hear those trumpets blow again All aglow again Taking a chance on love Here I slide again About to take that ride again Starry eyed again Taking a chance on love I thought that cards were a frame-up I never would try But Now I'm taking the game up And the ace of hearts is high Things are mending now I see a rainbow blending now We'll have a happy ending now Taking a chance on love

Here I slip again About to take that tip again Got my grip again Taking a chance on love Now I prove again That I can make life move again In the grove again Taking a chance on love I walk around with a horseshoe In clover I lie And brother rabbit of course you Better kiss your foot good-bye On the ball again I'm riding for a fall again I'm gonna give my all again Taking a chance on love
