Tea For Two

Jane Monheit

I'm discontented with homes that are rented And so I've invented my own Darling, this place is a lover's oasis Where life's weary chase is unknown

Far from the cry of the city Where flowers pretty caress the breeze Lovely to hide in, to live side by side in Don't let it abide in my dreams

Picture me, upon your knee Just tea for two and two for tea Me for you and you for me alone

Nobody near us To see us or hear us No friends or relations On weekend vacations

We won't have it known that we own a telephone Day will break and you will wake And I will bake a sugarcake For you to take for all the boys to see

We will raise a family A boy for you, a girl for me Can't you see how happy we will be
