Too Late Now

Jane Monheit

Too late now to forget your smile The way we cling when we danced awhile Too late now to forget and go on to someone new

Too late now to forget your voice The way one word makes my heart rejoice Too late now to imagine myself away from you

All the things we've done together I relive when we're apart All the tender fun together Stays on in my heart

How could I ever close the door And be the same as I was before? Darling, no, no I can't anymore It's too late now

All the things we have done together I relive when we're apart All the tender fun together Stays on in my heart

How could I ever close the door And be the same as I was before? Darling, no, no I can't anymore It's too late now

Too late now
