When She Loved Me

Jane Monheit

When somebody loved me Everything was beautiful Every hour we spent together Lives within my heart

And when she was sad I was there to dry her tears And when she was happy So was I When she loved me

Through the summer and the fall We had each other , that was all Just she and I together like it was meant to be And when she was lonely I was there to comfort her And I knew that she loved me

So the years went by I stay the same But she began to drift away Heart was left alone Still I waited for the day When she'd say I will always love you

Lonely and forgotten Never thought she'd look my way And she smiled at me and held me Just like she used to do Like she loved me When she loved me

When somebody loved me Everything was beautiful Every hour we spent together Lives within my heart
