

# All Through The Night

Jane Siberry

Sleep, my child and peace attend thee  
All through the night  
Guardian angels God will send thee  
All through the night

Soft the drowsy hours are creeping  
Hill and dale in slumber sleeping  
I my loving vigil keeping  
All through the night

While the moon her watch is keeping  
All through the night  
While the weary world is sleeping  
All through the night

Over thy spirit gently stealing  
Visions of delight revealing  
Breathes a pure and holy feeling  
All through the night

Though I roam a minstrel lonely  
All through the night  
My true harp shall praise sing only  
All through the night

Love's young dream alas is over  
Yet my strains of love shall hover  
Near the presence of my lover  
All through the night

Hark, a solemn bell is ringing  
Clear through the night  
Thou, my love, art heavenward winging  
Home through the night

Earthly dust from off thee shaken  
Soul immortal shalt thou awaken  
With thy last dim journey taken  
Home through the night

Sleep, my child and peace attend thee  
All through the night  
Guardian angels God will send thee  
All through the night

Soft the drowsy hours are creeping  
Hill and dale in slumber sleeping  
I my loving vigil keeping  
All through the night
