

I Will Survive

Jane Siberry

At first I was afraid, I was petrified
Kept thinkin' I could never live without you by my side
But then I spent so many nights
Thinkin' how you did me wrong and I grew strong
And I learned how to get along

So now you're back from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I'd've known for just one second you'd be back to bother me

Go on now go, walk out the door
Just turn around now
('Cause)
You're not welcome anymore

Weren't you the one who tried to hurt me with goodbye?
Did you think I'd crumble? Did you think I'd lay down and die?
Oh no, not I, I will survive
Oh, as long as I know how to love
I know I'll stay alive

I've got all my life to live
I've got all my love to give
I will survive, I will survive
Hey, hey
