Jane

When i wake up in the morning it is the and of a day
When i look into the faces tell me what we have to say
everybody talks around me that we have to play this game
When i wake up in the morning it is the and of a day
Tell me why !

So i sit here hope to sleep
try to find another way
When i wake up in the morning it is the and of a day
everybody talks around me that we have to play this game
When i wake up in the morning it is the and of a day

NOT SURE
"so lay down try to die
the story movie cut to strenght
if there is another morning
i am like i am spring"
NOT SURE
