

Stay With Me

Jane

Baby, I can't live without you
Baby, I can't stand without you
Honey, please don't go
Baby, don't leave me alone
Stay with me

Baby, you are so sleek
Honey, don't make me wimp
Baby, I want you to stay with me
Honey, don't leave me alone
Stay with me

Honey, you are part of me
Baby, I want you close to me
Honey, you can't go with another man
Baby, are you understand?
Stay with me

Baby, I can't live without you
Baby, I can't stand without you
Honey, don't leave me alone
Baby, don't let me alone
Stay with me
