

Violet Stars Happy Hunting!

Janelle Monáe

I'm an alien from outer space (outer space)
I'm a cybergirl without a face a heart or a mind
(A product of the man, I'm a product of the man)
See, see, see, see, see
I'm a space girl without a race,
On the run 'cause they're here to erase and chase out my line
(They've come to destroy me, they've come to destroy me)

And I think to myself
Is it possible (Wait, is it possible)
That they're gunning for me?
And now they're coming after you
(And now they're after you)
For loving too... hard
All the sirens go doo doo
(Sirens go doo doo doo doo doo doo doo...)
Oh baby, ooo you know the rules
I love you, and I won't take no for an answer

They say that Violet Stars will set you free (set you free)
When you're running lost and alone
Follow them down... up Neon Valley Street (up Neon Valley Street)
A pretty day makes a pretty picture,
But fall in love and they're coming to get ya
Who knew ten men with guns were at the door?
The droid control! (The droid control...)

Wait, it's impossible that they're coming for me (the police are after you)
And now they're after you (for loving too)
Baby, I hear the sirens go dooodooo
Sirens go dooodooooo
Doooodooooo
Come on Baby 'cause here they're coming now (You know the rules)

It's impossible that they're coming for me (the police are after you) (he loves me too)
And now they're after you (for loving too) (he loves me too)
Baby, I hear the sirens go dooodooo
Sirens go dooodooooo
Doooodooooo (I said uhh baby)
You know the rules
