

# And on and On

Janet Jackson

This is a song about  
Summertime  
(Cool summer yeah cool summer)  
May it never end, may it never end  
(Feeling goes on, cool summer, feeling goes on, feeling goes on)  
This is a summer of love and the love will go

On and on and on and on

I'm not gonna stop, no  
I don't wanna stop, no  
I'm not gonna stop, no ooh  
(Come on, the beat don't stop 'til the break of dawn)  
I'm not gonna stop, no  
I don't wanna stop, no  
I'm not gonna stop, no ooh

And this feeling goes on and on and on and on and on  
And my loving goes on and on and on and on and on  
(Come on, come on, come on, come on)

Ooh  
What a feeling  
What a feeling  
Gotta keep this going  
I got the top down  
Sun is beaming as I'm thinking about you  
Never will you stop this love that you feel  
And I'll do the same with you everyday  
I will always be right here by your side  
I don't want nobody else

And this feeling goes on and on and on and on and on  
And my loving goes on and on and on and on and on

(Come on, the beat don't stop 'til the break of dawn)  
I'm not gonna stop, no  
I don't wanna stop, no  
I'm not gonna stop, no ooh

Ooh  
What a feeling  
Got me smiling  
As I'm dreaming about you  
Oh you're my baby  
So believe me when I tell ya  
Never will I stop this love that I feel  
And you do the same each and everyday  
I will always be right here by your side  
I don't want nobody else

And this feeling goes on and on and on and on and on  
And my loving goes on and on and on and on and on

Feel it  
Yeah  
Top down

Just coolin  
Summertime

Feeling goes on  
feeling goes on  
(Come on, the beat don't stop 'til the break of dawn)  
Damn this is a long song  
(Come on, the beat don't stop 'til the break of dawn)

And this feeling goes on and on and on and on and on  
And my loving goes on and on and on and on and on  
Feeling goes on and on and on and on and on

I'm not gonna stop, no  
I don't wanna stop, no  
I'm not gonna stop, no ooh  
I'm not gonna stop, no  
I don't wanna stop, no  
I'm not gonna stop, no ooh
