

# Anything

Janet Jackson

Hold me  
Kiss me  
Show me  
You wanna be with me

Feel me  
Taste me  
And maybe  
I'll let you have me

[BRIDGE:]  
When you do convince me  
Can't turn back  
I'll be your best  
You know that good things don't come easy

[CHORUS:]  
(hold me)  
So are you ready  
(kiss me)  
To journey  
(show me)  
Within me  
(feel me)  
I'll satisfy you  
(taste me)  
I will do anything  
(have me)  
You ask me to  
(ask me)  
Anything  
(with me)  
Anything

[BRIDGE]

[CHORUS (2x)]  
For you

[BRIDGE]

[CHORUS]

So are you ready  
I will do anything  
For you
