

# Call on Me

Janet Jackson

I don't know if I've ever felt like this before  
But I'm sure that the way I feel  
I don't want it to go  
'Cause I've cried my share of tears and I've sang my share of blues  
But to keep you over here  
I'll do what I got to do

So baby call on me  
Whether day or night  
I'll never leave

You don't have to be alone  
I'll come anywhere you want  
Baby just pick up the phone and call on me  
See you and I  
I wanna be your only love affair  
See there it go  
See there it go Mama

See I never met a girl that could break me down  
It's like I get caught in the middle  
I get caught up a little anytime she's around  
I be posted, waitin' on standby  
Lookin' to catch a hit  
I'm doin' whatever, whenever  
Never forget I said I'd be here when you want  
To get what you need, if you wanna receive  
Oh, Please believe you could

Call on me  
Whether day or night  
I'll never leave

You don't have to be alone  
I'll come anywhere you want  
Baby just pick up the phone and call on me  
See you and I  
Baby-I wanna be your only love affair  
See there it go  
See there it go Mama

Call on me  
When need someone who cares  
Say the words and I'll be here  
I can meet you anywhere  
Call on me  
Anytime that you please  
Be whatever you want  
Be whatever you need  
'Cause you're the one I love baby

Just call on me- whether day or night  
I'll never leave  
You don't have to be alone- I'll come anywhere you want  
Baby just pick up the phone and call on me  
See you and I  
I'm gonna be your only love affair

See there it go  
See there it go, Mama

It don't matter where you go  
I'll come anywhere you want me to  
It don't matter near or far  
It's like...anything you say- I'll do  
And it don't matter where you go  
I'll come anywhere you want me to  
And it don't matter, near or far  
It's like...anything you say- I'll do

(Yeah, Yeah, Yeah)
