

Clouds

Janet Jackson

Janet Jackson:
You tell them, Carly

Carly Simon:
See Janet and me we have clouds
Yes, we have our clouds

Janet Jackson:
Go on

Carly Simon:
So many and so many great formations
Who's this song about

Janet Jackson:
Don't hurt'em now

Carly Simon:
Hallucinations

Janet Jackson:
Ha, ha

Carly Simon:
Clouds in my coffee
Clouds in my coffee

Janet Jackson:
You tell them, Carly
