

# Dammn Baby

Janet Jackson

Ya same ol' song  
Is draggin me down  
Not good for my body  
Change it up  
Cuz it ain't nothing like  
Having your own ID  
My lanes been stuck  
I've never been afraid  
To swich oh no not me  
And they show me love  
For being original

And tell 'em make room  
Shake the room  
Bang bang ya gon gon get it  
You gotta get up off that grey line  
And can't nobody tell you  
What you can't do  
Shut that down automatic  
And I'll guarantee they'll fall in line  
Watch 'em all go

Dammn baby baby, watch 'em all go  
Dammn baby baby, watch 'em all go  
Dammn baby baby, watch 'em all go  
Dammn baby baby

A brend new movement  
That started with a  
Conversation in a café  
It's all about love  
And how we ain't gon never let  
Words get in the way  
When you're giving it up  
It's never what you say  
It sayin' what you do  
You wanna show me love  
Let's keep that conversation honey

And tell 'em make room  
Shake the room  
Bang bang ya gon gon get it  
You gotta get up off that grey line  
And can't nobody tell you  
What you can't do  
Shut that down automatic  
And I'll guarantee they'll fall in line  
Watch 'em all go

Dammn baby baby, watch 'em all go  
Dammn baby baby, watch 'em all go  
Dammn baby baby, watch 'em all go  
Dammn baby baby

Gonna break it down, break it down, break it down  
Gonna break it down, break it down  
Gonna break it down, break it down

Watching them all go dammn  
Watching them all go dammn  
Watching them all go dammn baby  
Watching them all go

And tell 'em make room  
Shake the room  
Bang bang ya gon gon get it  
You gotta get up off that grey line  
And can't nobody tell you  
What you can't do  
Shut that down automatic  
And I'll guarantee they'll fall in line  
Watch 'em all go

Dammn baby baby, watch 'em all go  
Dammn baby baby, watch 'em all go  
Dammn baby baby, watch 'em all go  
Dammn baby baby

Dammn baby baby, watch 'em all go  
Dammn baby baby, watch 'em all go  
Dammn baby baby, watch 'em all go  
Dammn baby baby
