

# Every Time

Janet Jackson

I'm afraid, I'm starting to feel  
What I said I would not do  
The last time really hurt me  
I'm scared to fall in love

Afraid to love so fast  
'Cause everytime I fall in love  
It seems to never last

But every time your love is near  
And every time I'm filled with fear  
'Cause every time I see your face  
My heart does begin to race everytime

One half wants me to go  
One half wants me to stay  
I just get so all confused  
I'm scared to fall in love

Afraid to love so fast  
'Cause every time I fall in love  
It seems to never last

But every time your love is near  
And every time I'm filled with fear  
'Cause every time  
My heart does begin to race everytime

I'm scared to fall in love  
Afraid to love so fast  
'Cause everytime I fall in love  
It seems to never last

But every time your love is near  
And every time I'm filled with fear  
'Cause every time I see your face  
My heart does begin to race everytime

It's everytime  
It's everytime

'Cause everytime your love is near  
And every time I'm filled with fear  
'Cause every time I see your face  
Could it be that this will be the one that lasts?

The fear does start to erase everytime  
Oh could it be that this will be the one that lasts  
For all my times, oh yeah, for all my times
