

# Nothing

Janet Jackson

There's something I wanna say  
Something that I've been holding back  
Can't let it go another day  
Let me start by saying that

Nothing, nothing,  
Nothing, means more than the truth.

And truth is that I realize, love is fading from your eyes  
Don't know how it came to this, but we gonna get it fixed tonight  
Cause nothing, nothing,  
Nothing, is worth losing you

Tell me what could the problem be, that's got you drinking way too much  
What could it be 'bout us  
Don't you tell me not right now, I can't let it go  
(I can't let it go, no I can't let it go, Oh nooo)

What can I do to help you see,  
That there's no need for jealousy or insecurities  
I'll do anything you want  
You can even have the password to my phone

Because nothing, nothing  
Should come between us  
Trust in me  
Trust in me

We should cherish every moment like it's the last  
Trust in me  
Trust in me

If your issues is with trust, hear me when I tell you this  
No one else has shared my love, no one else has had your kiss

Nothing, nothing,  
Nothing, can make me forget.

(Noooo)

Forget that you're a good man and I know that you've had it hard  
Cause you're more than adequate, you're more than I wish for

Nothing, nothing,  
Nothing, can make you any less.

Tell me what could the problem be, the past is something I can't change  
It's a brand new day  
Don't you tell me not right now, I can't let it go  
(I can't let it go, no I can't let it go, Oh nooo)

We've got to fix this, fix this right this minute  
Only pure love can calm the noise  
Cause baby when we give pure love  
Pure love will never come back to us void

Because nothing, nothing

Should come between us  
Trust in me  
Trust in me

We should cherish every moment like it's the last  
Trust in me  
Trust in me
