Rhythm Nation

Janet Jackson

With music by our side To break the color lines Let's work together To improve our way of life Join voices in protest To social injustice A generation full of courage Come forth with me People of the world today Are we looking for a better way of life We are a part of the rhythm nation People of the world unite Strength in numbers we can get it right One time We are a part of the rhythm nation

This is the test No struggle no progress Lend a hand to help Your brother do his best Things are getting worse We have to make them better It's time to give a damn Let's work together come on

People of the world today Are we looking for a better way of life We are a part of the rhythm nation People of the world unite Strength in numbers we can get it right One time We are a part of the rhythm nation
