

# So Much Betta

Janet Jackson

So much betta' I'm for you  
So, so much betta' I'm for you

Try to be a number two  
I can do what she can't do  
So much betta I'm for you  
So, so much betta I'm for you

So much betta I'm for you  
So, so much betta I'm for you

Don't need another  
I can prove it  
Just let me love you  
Watch me do it

Believe in this  
Make a wish  
Come see you girl  
I'll change your whole world

Try to be a number two  
I can do what she can't do  
So much betta I'm for you  
So, so much betta I'm for you

So much betta I'm for you  
So much betta I'm for you

Don't need another  
I can prove it  
Just let me love you  
Watch me do it

Believe in this  
Make a wish  
Come see you girl  
I'll change your whole world

Try to be a number two  
I can do what she can't do  
So much betta I'm for you  
So, so much betta I'm for you

So much betta I'm for you

So much betta I'm for you  
So, so much betta I'm for you

So much betta I'm for you
