

# The Body That Loves You

Janet Jackson

Love sensual physical love  
Is waiting here for you  
Will you unleash my desire?

These are the hands that'll touch you  
These are the lips that'll kiss you  
These are the arms that'll hold you  
So come get this body that loves you  
Oh how my heart does miss you

Love  
Stroke me so gently my love  
I love it when you mmmmm...  
Will you unleash my desire?

These are the hands that'll touch you  
These are the lips that'll kiss you  
These are the arms that'll hold you  
So come get this body that loves you  
Oh how my heart does miss you

Baby my heart's aching  
My body longs for you  
Candlelight and wine are waiting  
Create the mood for

Love  
Sensual physical love  
Is waiting here for you  
Will you unleash my desire?

These are the hands that'll touch you  
These are the lips that'll kiss you  
These are the arms that'll hold you  
So come get this body that loves you  
Oh how my heart does miss you

As I behold you with my eyes  
They'll undress you and you'll undress me too  
I want to feel you move inside me  
Oh how I long for your

Love  
Sensual physical love  
Is waiting here for you-hoo-hoo  
Will you unleash my desire?

These are the hands that'll touch you  
These are the lips that'll kiss you  
These are the arms that'll hold you  
So come get this body that loves you  
Oh how my heart does miss you

Love  
Stroke me so gently my love  
I love it when you mmmmmmm  
Will you release my desire?

These are the hands that'll touch you  
These are the lips that'll kiss you  
These are the arms that'll hold you  
So come get this body that loves you  
Oh how my heart does miss you

Undress me  
Slowly  
(These are the hands that'll touch you)  
I want to kiss you all over  
Is that okay?  
(These are the lips that'll kiss you)  
We embrace...  
Skin to skin  
(These are the arms that'll hold you)  
Hold me  
Oh baby  
My body's arched for you  
(Come get this body that loves you)  
Come here  
I've missed you so much  
I forgot how good it could feel  
(Oh how my heart does miss you)  
Please make love to me  
(Come get the body that loves you)
