

## Amsterdam

Janis Ian

Just the pattern of sunlight on a building  
Just a flash in a window I was passing  
Just a frame in a movie I remember  
Amsterdam

Just the sound of a wheel in the gravel  
Just the click of a heel in the pavement  
Just a moment like any other moment  
Amsterdam

I remember your lips  
I remember your eyes  
And the taste of the kiss  
And your graceful goodbye  
You lied, goodbye

Just the scent of perfume on the linen  
Just the print of a palm on the pillow  
Just the hint of the moon from the window  
Amsterdam

Just a ghost in the steam on the mirror  
Just a shadow of motion in the water  
Just a need to look over my shoulder  
Amsterdam

I remember your lips  
I remember your eyes  
And the taste of the kiss  
And your graceful goodbye  
You lied, goodbye

Just two lovers asleep in the silence  
As I walk from the door  
Just the weight of a heart as itâ€™s falling  
Nothing more

I remember your lips  
I remember your eyes  
And the taste of the kiss  
And your graceful goodbye  
You lied, goodbye  
Goodbye, goodbye
