

## Light a Light

Janis Ian

I hear your voice in ev'ry corridor  
See your face in ev'ry picture frame  
I feel your eyes in ev'ry starry sky  
Lover, am I coming home again?

Now am I humble, who once was proud  
Now am I silent, who once was loud  
Now am I waiting for the sound of your saying:  
Lover, am I coming home again?

When you're gone the sun don't shine  
Light a light, light a light for me  
Bring me back home again

And how we loved 'til the years were days  
How we laughed all our tears away  
And now the time begins to fade  
Lover, am I coming home again?

There's a wisdom in the teachings  
of the old familiar songs  
And a sorrow in repeating  
all the old familiar wrongs  
And a lesson to be learned,  
though I've know all day long  
Lover, am I coming home again?

Light a light, light a light for me  
Light a light, light a light for me  
Light a light, light a light for me  
Bring me back home again  
Bring me back home again
