

## Silly Habits

Janis Ian

I'm still in love  
Though I don't care  
To let you know  
There's something there  
It doesn't show  
But when you're near  
Silly habits mean a lot  
I've been alone now  
For quite some time, it's true  
But every night when I come home  
I'm coming home to you  
I listen for your footsteps  
Sometimes I even knock  
Silly habits mean a lot  
I've been parading  
And I've led a lot astray  
Why bother waiting?  
When you can have it all today  
You may remember  
I like my coffee hot  
Silly habits mean a lot  
So you go your way  
And I'll go mine  
Maybe someday  
Our paths will re-entwine  
I used to say "I love you"  
But one day I forgot  
Silly habits mean a lot
