

## Intruder

Janis Joplin

You come around here  
Trying to make your demand.  
You've got a need, darling,  
I've seen it grow and expand.

Yeah, you want to reveal my life  
With your own two hands.  
Well, tell me now  
What are you trying to do?

Those holes in your life  
Show what you require.  
You're needin' new eyes,  
Oh Lord, honey take any wire?

Yeah you've gotta save us all  
Before the next big fire.  
Tell me now  
What are you trying to do?

Walked in my life,  
Child, and I don't even know your name.  
You put others around behind ya  
As if they were lame.

You insist a simple feeling  
Will be all the same.  
Well, tell me now  
What are you trying to do?

Now I look like I'm suffering,  
N-n-n-n-n-n-now I'm doing fine.  
One look at yourself baby,  
Child, I got you alive.

Yeah, you're gonna take care of yours,  
I'll take care of mine.  
What are you trying to do?  
Hey!
