D                      B

          B                            B7

Oh come on, come on, come on, come on

[Verse]

E                            A        B            A

Didn't I make you feel        like you were my

E    A    B                    A

only man.                    Yeah and

E    A                            B

didn't I give you nearly everything that a woman possibly can.

B (2 beats)

Honey you know I did.

[Pre-Chorus]

C#m    B

But each night I tell myself that I, that I think I've had enough

D    B

Well I'm gonna show you baby that a woman can be tough, I want you to

B            B            B7            B7

come on, come on, come on, come on

[Chorus]

E                            A                            B                            B B A A

Take it!            Take another little piece of my heart now baby    Oohhhh

E                            A                            B                            B B A A

Break it!            Break another little bit of my heart now baby    Oohhhh

E                            A                            B                            B B A# A#

Have it!            Have another little piece of my heart now baby

A    A            G#m F#m    E

You know you've got it, if it makes you feel good, oh yes it

[Verse]

E                            A        B            A

did    You're

E                            A                            B                            A

out on the street looking good and baby deep down in your

E                            A                            B                            A

heart I guess you know that it ain't right.    Now you never never

E                            A        B                            B B    A    A B

hear me when I cry at night.    Babe and I cry all the time.

[Pre-Chorus]

C#m    B

But each time I tell myself that I, that I can't stand the pain,

D    B

but then you hold me in your arms, and I sing it once again.

B            B            B7            B7

I sing come on, come on, come on, come on

[Verse]

E                            A                            B                            B B A A

Take it!            Take another little piece of my heart now baby    Oohhhh
