

Breaking Up

Jank 1000

so you think that everyone
has a someone in their life
to make it all seem right
look at me
not necessarily

all alone
in everything
when i find somebody new
i don't know what to do
can't they see?
i need them desperately
here i am
and there she goes
by the time i make it up
shes already fed up
up with me

chorus
breaking up
it happens so fast
breaking up
so i try
im trying but im
breaking up
god it sucks
she mentions the words
breaking up
oh no
now i think that im breaking up

story goes
that everyone
has a hard time in their life
where nothing can go right
and with me
it's all a part of me
now and then
i'll find someone
but after the time we spend
we end just being friends
can't they see?
they're giving up on me

i dunno why everything
can turn out for someone else
but never for myself, just as well
