

Beautiful Pain

Jann Arden

Beautiful pain
Beautiful hurt
Beautiful face
Beautiful earth

And you my love, most lovely of all
Won't fall

Beautiful heart
Beautiful words
Beautiful loss
Beautiful world

And you my love, most lovely of all
Oh you my love, most lovely of all
Won't fall

Wonderful days
Wonderful sounds
Barely a breath
It's heaven or hell

And you my love, most lovely of all
Oh you my love, most lovely of all
Won't fall

And you my love, most lovely of all
Oh you my love, most lovely of all
Won't fall

Beautiful pain
