

## Best Dress

Jann Arden

Drinking whiskey from an open toe shoe  
Farm hand and an evening glove  
Puttin' on a kiss that will last until dawn  
I'm going to town with my best dress on

Bare buttin' on an apple crate bench  
Do my face in the loft of the barn  
I touch myself on the old chaise lounge  
I'm going to town with my best dress on

Yeah, yeah, yeah, I'm so pretty  
Gonna ask myself to my prom  
Yeah, yeah, yeah, I'm all sexy  
Going to town with my best dress on [2x]

Double clutching in my high heel shoes  
Check the mirror and I blow myself a kiss  
Turn up the radio 'cause they're playing my  
favorite song  
I'm going to town with my best dress on  
Going to town with my best dress on

Yeah, yeah, yeah, I'm so pretty  
Gonna ask myself to my prom  
Yeah, yeah, yeah, I'm all sexy  
Going to town with my best dress on [2x]
