

# I Can't Make You Stay

Jann Arden

Not going to lie across the subway track,  
Not gonna pin you to the floor  
Not gonna bind you up or pull you down  
So what are you waiting for?

After all we've been through,  
I'm not gonna beg you

So go on, go on  
If you wanna run run  
I won't try to stop you or stand in your way.  
My love, my love  
It will never change, no.. change.. oh  
Seems your mind is made up no matter how I pray  
I can't make you stay.

I've given you what's left of me  
Everything I am.  
I try to be the ocean you could float on baby  
The fuel that made you fast.

If I'm not the dream you dream,  
If I don't make you happy

Just go on, go on  
If you wanna run run  
I won't try to stop you or stand in your way.  
My love, my love  
It will never change no, change.. oh  
Seems your mind is made up  
No matter how I pray  
I can't make you stay.

Don't need to see it in your eyes  
To know it won't be long, it won't be long  
Don't need to hear your goodbyes  
To know you're already gone!

So go on, go on  
If you wanna run run  
I won't try to stop you or stand in your way...

My love, my love  
It will never change no, change.. oh  
Seems your mind is made up no matter how I pray  
I can't make you stay.

I can't make you stay.

Oh no, no....

I can't make you stay.  
I can't make you....
