

# I'm Not Your Lover

Jann Arden

I'm not your lover  
And I am not your baby no more  
I'm not your girlfriend  
And you don't have to tell me  
'Cause I already know  
You already broke me down

I'm not your perfect angel  
I am not your one and only  
I'm not your sweet magnolia  
It's not like you never told me  
Love was just a fast car  
And I was just a cross on the road

Now you've got my tongue all twisted  
You've got me all strung out  
I'm lining up the pieces of my heart  
On the kitchen floor  
Is that what love is?  
Is that what love's all about?

I'm not your lover  
And I don't think you ever loved me  
I'm not your partner  
And I don't think I ever could be  
Love is like lightning  
Thunder's what you've got when it's gone

I'm not your lover  
And I am not your baby no more  
I'm not your girlfriend  
And you don't have to tell me  
'Cause I already know  
You already broke my heart

Now you've got my tongue all twisted  
You've got me all strung out  
I'm lining up the pieces of my heart  
On the kitchen floor  
Tell me is that what love is?  
Is that what love's all about?

I'm not your lover  
I'm not your baby no more
