

# Insensitive

Jann Arden

How do you cool your lips  
After a summer's kiss?  
How do you rid the sweat  
After the body bliss?

How do you turn your eyes  
From the romantic glare?  
How do you block the sound  
Of a voice you'd know anywhere?

Oh, I really should have known  
By the time you drove me home  
By the vagueness in your eyes  
Your casual good byes  
By the chill in your embrace  
The expression on your face that told me  
Maybe you might have some advice to give  
On how to be insensitive, insensitive, insensitive

How do you numb your skin  
After the warmest touch?  
How do you slow your blood  
After the body rush?

How do you free your soul  
After you've found a friend?  
How do you teach your heart  
It's a crime to fall in love again?

Oh, you probably won't remember me  
It's probably ancient history  
I'm one of the chosen few  
Who went ahead and fell for you  
I'm out of vogue, I'm out of touch  
I fell too fast, I feel too much  
I thought that you might have some advice to give  
On how to be insensitive

Oh, I really should have known  
By the time you drove me home  
By the vagueness in your eyes  
Your casual good byes  
By the chill in your embrace  
The expression on your face that told me  
Maybe you might have some advice to give  
On how to be, insensitive

How to be  
Insensitive  
How to be  
Insensitive  
How to be
