

# Love Is A Battlefield

Jann Arden

This is me

We are young, heartache to heartache we stand  
No promises, no demands love is a battlefield  
Woah, we are strong, no one can tell us we're wrong  
Searching our hearts for so long, both of us knowing  
Love is a battlefield

You're making me to go, you're begging me stay  
Why do you hurt me so bad?  
It would help me to know  
Do I stand in your way, or am I the best thing you've had?  
Believe me, believe me, I can't tell you why  
But I'm trapped by your love, and I'm chained to your side

We are young, heartache to heartache we stand  
No promises, no demands love is a battlefield  
We are strong, no one can tell us we're wrong  
Searching our hearts for so long, both of us knowing  
Love is a battlefield

And if I'm losing control will you turn me away or touch me deep inside?  
And before this gets old, will it still feel the same?  
There's no way this could die  
But if we get much closer, I could lose control  
And if your heart surrenders, you'll need me to hold

We are young, heartache to heartache we stand  
No promises, no demands love is a battlefield  
We are strong, no one can tell us we're wrong  
Searching our hearts for so long, both of us knowing  
Love is a battlefield

We are young, heartache to heartache we stand  
No promises, no demands love is a battlefield  
We are strong, no one can tell us we're wrong  
Searching our hearts for so long, both of us knowing  
Love is a battlefield
