

# You Don't Know Me

Jann Arden

You give your hand to me, And then you say hello  
And I can hardly speak, My heart is beating so  
And anyone can tell, You think you know me well  
But you don't know me

Mmmmm

No you don't know the one  
Who dreams of you at night  
Who longs to kiss your lips  
Longs to hold you tight  
Oh I am just a friend  
That's all i've ever been  
Cause you don't know me

I never knew the art of makin' love  
Though my heart aches with love for you  
Afraid and shy, I let my chance go by  
The chance that you might love me too

You give your hand to me and then you say goodbye  
I watch you walk away beside the lucky guy  
Oh you will never know  
The one who loves you so  
Cause' you don't know me

You give your hand to me and then you say goodbye  
I watch you walk away beside the lucky guy  
Oh you will never know  
The one who loves you so  
Cause' you don't know me  
ohhhhh, no you don't know me  
You don't know me.
