## You Don't Know Me

## Jann Arden

You give your hand to me, And then you say hello And I can hardly speak, My heart is beating so And anyone can tell, You think you know me well But you don't know me

## Mmmmm

No you don't know the one
Who dreams of you at night
Who longs to kiss your lips
Longs to hold you tight
Oh I am just a friend
That's all i've ever been
Cause you don't know me

I never knew the art of makin' love Though my heart aches with love for you Afraid and shy, I let my chance go by The chance that you might love me too

You give your hand to me and then you say goodbye I watch you walk away beside the lucky guy Oh you will never know
The one who loves you so
Cause' you don't know me

You give your hand to me and then you say goodbye I watch you walk away beside the lucky guy Oh you will never know
The one who loves you so
Cause' you don't know me ohhhhh, no you don't know me
You don't know me.
