

# Coma Complacency

Japandroids

Hey! Hey! Hey!  
Heeeeey!  
Hey! Hey! Hey!  
Hey hey hey!  
[x2]

The future used to be so bright  
We used to only sleep at night  
The warm blanket of TV  
Coma complacency

We slept in  
We can't wake up  
We slept in  
We can't wake up

Hey! Hey! Hey!  
Heeeeey!  
Hey! Hey! Hey!  
Hey hey hey!  
[x2]

The future used to be so bright  
We used to only sleep at night  
The warm blanket of TV  
Coma complacency

We slept in  
We can't wake up  
We slept in  
We can't wake up
