

## Lovers/Strangers

Japandroids

We were lovers, we were strangers  
Dark latent sexual heat exchangers  
We were lovers, we were strangers  
New body lust, it masked the dangers  
We were lovers, we were strangers  
I should have known that I could never change her  
We were lovers, we were strangers  
I should have known that I could never change her

Choices  
You made  
Regrets  
Too late
