

## American Dreaming

Jarboe

I need my conscience to keep watch over me  
To protect me from myself  
So i can wear honesty like a crown on my head  
When i walk into the promised land

We've been too long american dreaming  
And i think we all lost the way  
Forlorn somnambulistic maniacal in the dark  
I'm in love with an american girl  
Well, she's my best friend  
I love her surreptitious smile  
That hides the pain within her

And we'll go dancing in the rings of laughter  
And leave alone by the shores  
Feel alone in the brands of rapture  
And leave alone for the loss

Faith, on the lea the rising wind blows  
Faith, on the lea the rising wind blows  
How long? how long?

Here alone on the grounds of allegiances we've left  
behind  
Turned back by the foot of the doorway  
Never lost and found

We've been too long american dreaming  
I think we've lost the heart  
Forlorn somnambulistic maniacal in the dark

Faith, on the lea the rising wind blows  
Faith, on the lea the rising wind blows  
How long? how long?
