

## Lavender Girl

Jarboe

There's patchouli, spanish blossom, frankincense, and  
rose  
I'm lavender, lavender  
There's cedarwood, champa, musk, and myrrh  
I'm lavender, lavender  
I was smoldering then you breathed deep  
May your soul be free now my smoke is sweet  
There's sandalwood, lilac, magnolia  
I'm lavender, lavender  
Ylang ylang, jasmine, amber  
I'm lavender, lavender  
I was smoldering then you breathed deep  
Now our soul is free and our smoke is sweet  
Lavender, lavender
