

# Pleasing To You

Jared Anderson

Sanctify me  
Clean out my closet  
Take away anything  
That is not pleasing to You

Purify me  
Destroy all my anger  
Wash away everything  
That is not pleasing to You

I will be white as snow  
I will be pure as gold  
Jesus, my heart must know  
I'm pleasing to You

I give my life, my all  
Taking the cross I will follow  
Jesus, my heart must know  
I'm pleasing to You

Sanctify me  
You are the light to guide me  
To the place where I am  
Only if pleasing to You

Purify me  
I need your light inside me  
So the darkness flees  
I can be pleasing to You

So come make me white as snow  
Lord make me pure as gold  
Jesus, my heart must know  
I'm pleasing to You

I give my life, my all  
Taking the cross I will follow  
Jesus, my heart must know  
I'm pleasing to You  
Jesus, my heart must know  
I'm pleasing You
