

Pouring It Out For You

Jared Anderson

O for grace to trust
O for strength to love
O to cast my cares down at your feet
O for feet to dance
O for a heart to romance
O for lungs to lift Your name so high

My hands go up giving You glory
I just can't get enough
You are so worthy Lord
I'll keep pouring it out for You
My cup is overflowing
With Your perfect love
And this is my reward
I'll keep pouring it out for You

O for faith to rise
O my soul come alive
O my God You are all I need
O for feet to dance
O for a heart to romance
O for lungs to lift Your name so high

My heart and flesh they cry out holy
Jesus be my one and only joy
