

## Heart Attack

Jarren Benton

I sit with this broken heart, like why did you leave me bitch  
With a bottle of painpills, I swear this ain't easy bitch  
I though we would ride together, you and me we would die together  
Walk through the bowels of hell, like fuck it we fry together  
You walked out and left me here, along with a fist full of tears  
I drowned in my sorrow, I can't believe i wasted this many years  
You didn
